DIVERSITY FOCUS GROUP

The Office of Diversity and Inclusion conducts an annual series of Diversity Focus Groups designed to gather qualitative feedback from HSU community members on issues surrounding diversity and inclusion on our campus. **Our Spring 2014 groups will solicit input on these issues from HSU staff, faculty and administrators.**

If you are an HSU Staff or Faculty member, we hope you will be interested in joining one of these discussions. **We need your participation in this process in order to ensure that all voices are heard and that HSU's efforts in this area are serving your needs.**

Twelve informal focus group discussions are scheduled in February and March 2014, and will take place over lunch or in the evening over hors d'oeuvres.

Feedback from the focus group discussions will be reported only in anonymous and thematic form, and extreme care will be taken to protect the confidentiality and anonymity of all participants.*
