## Annual Dr. David Largent Scholarship

The Humboldt Bay Mycological Society (HBMS) is pleased to announce the annual Dr. David Largent Scholarship, with an award of \$800. The recipient will be required to give a 45-minute to 1-hour presentation on a mycology-related topic of their choice. This presentation, including a PowerPoint, will be delivered in person at our monthly meeting on Wednesday, January 15, 2025, at 7:00 p.m. in Arcata, CA.

### **Application Deadline: November 30, 2024**

#### Eligibility Requirements:

1. Open to undergraduate or graduate students at Cal Poly Humboldt or College of the Redwoods with an interest in mycology.
2. The recipient must deliver an in-person, 45-minute to 1-hour presentation with PowerPoint on a mycology-related topic at our HBMS meeting at 7pm on January 15, 2025, in Arcata. If selected, you must submit your PowerPoint by January 14, 2025.

#### Application Materials:

1. **Topic Outline:** Provide a clear outline of how you plan to structure your presentation. This should include key points and a basic breakdown of your talk. We want to see that you have put thought into the organization and flow of your presentation, rather than just a vague description of the topic.
2. **Relevant Coursework:** Provide a list of any completed courses that demonstrate your preparedness for delivering the presentation (examples: Communications, Botany, Biology, Forestry).
3. **Presentation Commitment:** A statement confirming that you will deliver an in-person, 45-minute to 1-hour PowerPoint presentation at our monthly meeting on January 15, 2025.
4. **Letter of Recommendation:** A brief letter of recommendation from a professor, included with your application materials.

#### How to Apply:

1. Email all application materials to [hbmssecretary@gmail.com](mailto:hbmssecretary@gmail.com)  
Subject line: "Largent Scholarship Application"
2. Submission Deadline: November 30, 2024.
