President’s Message to the Graduates

Dear Graduates:

I am pleased to be among those congratulating you today as you graduate from Humboldt State University. This is a major accomplishment and an important milestone in your life. I expect, as I have heard from so many alumni, that you will appreciate the importance of today’s ceremony even more as the years go by.

During your time here, you made important connections that will influence you for the rest of your life. You found great friends and important mentors. You were challenged to think in new ways and to consider new perspectives. You gained skills and confidence that transcend specific areas of study, that will serve you in whatever path you follow. In addition, you learned values related to social justice and responsible stewardship of the natural environment, perspectives that are hallmarks of HSU graduates.

The Humboldt State community is proud of you and will follow your career with great interest as you put your learning to work in the world. Please stay connected with HSU and let us know how things are going. You will always be a part of “Forever Humboldt.”

With best wishes for an amazing life,

Lisa A. Rossbacher
President

Message from the Chancellor

Dear Class of 2019:

Today, you are in many ways different from the person you were on your first day on campus. In your time at the California State University, you have transformed from someone who learns about innovations in your field into a person fully capable of advancing those innovations.

Your educational transformation was spurred by your faculty, who trained you to look at the world with a critical eye and an open mind. Their efforts were supported by the work of your counselors, advisors, librarians, tutors and coaches who created an encouraging environment for you to succeed. All the while, your family, friends, colleagues and loved ones kept you motivated and saw you through your academic journey.

Your accomplishment today fills all of them—indeed all of us—with pride.

You are now part of the 3.7 million CSU alumni who are powering California, the nation and the world. These alumni are solving our greatest challenges, educating the next generation, fighting for equality and creating new opportunities for economic prosperity.

I encourage you to stay connected to the CSU. Use these connections—both to your campus and to other CSU alumni—to expand your opportunities and to make a meaningful impact on your community and the world. I also encourage you to support the generations who endeavor to follow in your footsteps.

The word we use to commemorate an earned university degree is “commencement.” This is, of course, deliberate. Today is not an end, but rather a beginning. And as you embark upon your life’s journey, may your hard work and sacrifices pay dividends far beyond today’s celebration, both in your life and in the lives of those around you.

Congratulations, California State University Class of 2019. I look forward to all that you will accomplish.

Sincerely,

Timothy P. White
Chancellor

Greening Up Graduation

HSU students are known for their commitment to the environment. Dedicated students at Humboldt State strive to reduce waste at Commencement ceremonies. This year they’ll continue to reduce the number of single-use bottles, while also working to minimize the number of compostable coffee cups.

Our vendors will be selling discounted water canteens, so look for water stations in Redwood Bowl to refill your reusable water bottles. In addition, coffee will be half price for those bringing their own coffee cup.

*Special thanks to the following student groups: Campus Center for Appropriate Technology • Delta Phi Epsilon
HSU Oh SNAP! • HSU Takes Back the Top • Waste Reduction & Resource Awareness Program

Working together we can green up graduation!

Guest Information

**Emergencies** - In the event of an unforeseen situation, we ask that you remain calm and seated, and listen for instructions from the platform area. The main exits are through the plaza and up the stairs at the southeast end of Redwood Bowl to Union Street, the ramp at the southeast corner of the Bowl, and the tunnel at the southwest corner of the Bowl.

The University Police Department has a command post and first aid station near the scoreboard at the south end of Redwood Bowl. There are police officers on duty. For emergencies, dial 9-1-1. For non-emergency assistance dial 707-826-5555.

**Lost & Found** - Lost and found is located at the University Police command post at the south end of the Bowl, near the scoreboard.

**Smoking** - Humboldt State, like all California State University campuses, is smoke- and tobacco-free. Smoking is not permitted anywhere in Redwood Bowl or on the HSU campus.

**Photographs** - Guests are asked not to stand in the aisles or block the view of others for the purpose of taking pictures. A commercial photographer will be taking pictures of all graduates who cross the stage. Proofs of the photographs will be emailed to each graduate at no charge. Photographs may then be ordered, though there is no obligation to do so.

**Domestic Animals** - No animals of any kind are allowed in Redwood Bowl or Redwood Plaza on Commencement day except for Service Animals. Domestic Animals are permitted outside on campus grounds but are not allowed in any campus buildings, with the exception of Service Animals. All animals must be leashed and under the handler’s control at all time.

**Sign Language Interpreters** - Sign language interpreters will be signing throughout the ceremony on the east side of Redwood Bowl only. The interpreters will not sign all graduates’ names. However, any requests for graduate names you would like signed will be honored. Please let our ushers know of your needs.

**Graduation Pledge of Social and Environmental Responsibility**

Green ribbons may be worn by graduates to symbolize their support of the Graduation Pledge of Social and Environmental Responsibility, a commencement tradition that started at HSU in 1987. The pledge has been adopted by universities worldwide.

“I pledge to explore and take into account the social and environmental consequences of any job I consider and will try to improve these aspects for any organizations for which I work.”

**About the Ceremony**

**Regalia** - Commencement ceremonies at Humboldt State University, like those at most universities in the United States, feature distinctive academic regalia and ornamentation.

Upon conferral, the tassel on the cap is moved to the left. The gown’s sleeves indicate the highest degree held—the bachelor’s gown has long pointed sleeves, the master’s has long oblong sleeves, and the doctor’s has very full sleeves with velvet bars. The color of the hood’s silk lining indicates the area of study as well as the institution conferring the degree. The colorful regalia of our faculty attest to the many different universities from which they graduated, as well as the variety of their academic fields.

**Ceremonial Mace** - An ornamental staff which is typically made of metal or wood, the mace symbolizes authority and is carried by a faculty member who leads the processional and recessional.

Humboldt State’s mace was redesigned during its 2013-14 Centennial Year by a team of University craftspeople and artists, including Art Professor Kris Patzlaff and her students; Jennifer Slye Moore, then administrative support coordinator in the Art department; and Art alumnus Roger Durham.

“The entire shape represents a torch, which symbolizes enlightening students through their educational experience at HSU,” Patzlaff explains. The mace is also constructed of sustainable materials, including recycled metal and unleaded enamel. Engraved in silver on the mace is Humboldt State University’s motto: “Phos Aletheia,” Greek for “Light and Truth.”

**Music** - “Pomp and Circumstance,” composed by Britain’s Sir Edward Elgar in 1901, welcomes graduates to Redwood Bowl.

Music Professor Gilbert D. Cline composed a new recessional for Commencement, signaling the end of the ceremony, during the University’s 2013-14 Centennial Year. The piece is inspired by sounds from campus and evokes the HSU fight song, the bell tower, and the now-retired Arcata noon siren. It is titled “Sempre Pro Veritas,” which is Greek for “Always for Truth.”
