[If you open from the link from the above link click "ESign": [All tools Edit Convert E-Sign] *]*

2. Fill out the form up to the dividing line. **Gather all documentation relating to the justification of a fee waiver so you are ready to attach it to the form.**

8. The All tools side menu will pop out

9. At the bottom of the menu select the "Request e-signatures" button

10. In the box that pops up input your Dean or VP's email address

-The toggle above the #1 box SHOULD be set to "Complete in Order".

-The check box above the blue "Next" button "Preview and add signature fields" should be checked.

14. On the next screen, you will have a Recipients drop-down menu which should default to your #1 signer, if it's not select your #1 signer.

15. Underneath "RECIPIENTS" there is the "Signature Fields" drop-down. Click on the carrot ⌄ and it will expand.

16. In that drop-down you can hover over, grab (long click) [Signature] and drag it to the Dean or VP Approval, the box should expand to the line. If it doesn't you can drag the edges of the box to fit.

17. Underneath the "Signature Fields" drop-down there is the "Signer Info Fields" drop-down menu, click the carrot ⌄ grab [Date] and drop it onto the "Date" line.

18 If you plan on having to do this form in the future check the "Save as template" box above the blue "Send" button

19. Hit [Send]

CES will input the expected cost and send the form to the VP of Administrative Affairs for you.

Note: When you hit send Adobe Sign will automatically send you an email telling you your document has been sent out for signature. When the form is signed you will receive updates. You don't need to CC yourself to receive updates.
