Integrating Undergraduate
Students in Faculty Research

Friday, April 10, 2015
12 pm to1:30pm

Panel includes Professors Andrea
Achilli, Rosemary Sherriff and Amy
Sprowles, and Sarah Fay Philips

The HSU Sponsored Programs Foundation's primary mission is to advance HSU research & economic development in collaboration with our regional and global partners. They administer virtually all externally funded grants and contracts as well as submit proposals to external funding agencies on behalf of the University. Some of their grant and contract services include:
- Assist faculty and staff in identifying funding sources;

- Oversee institutional routing process for submitting proposals;

- Administer various campus small grant and incentives programs.

Foundation Directory Search Tip
Including **NEAR/n** between two index entries, words, or phrases retrieves results containing both of the index entries selected or words or phrases typed but only if they appear within a specific proximity to one another. The "n" should be a numerical value indicating the maximum number of words that should appear between two words. **For example,** typing arts NEAR/3 culture into the Keyword Search field records containing both "arts" and "culture" but only if they appear no more than three words away from one another.

Use the Library website to log in

http://libguides.humboldt.edu/grants

SPIN, an extensive research funding opportunity database containing over 40,000 funding opportunities from more than 10,000 sponsors.

- Access funding information online, from any browser
- Gain access to a large keyword list, allowing for greater flexibility in your searches

Search Tip for SPIN
Inserting a tilde ~ before a quoted phrase searches for records containing the phrase 'community organizing' or its related terms in the thesaurus.
Example: ~"community organizing"
