

FALL 2018 NEWSLETTER

Dear TRIO Students, Parents, and Guardians,

Welcome back to a new school year! TRIO Talent Search has some exciting updates. Enclosed is a “semester at a glance” calendar to ensure that all of our participants and community partners are up-to-date with important events and deadlines.

Please pay special attention to the **Cash for College** events taking place at your various school sites this fall – you can find the dates on the semester calendar in *green*. Cash for College events offer an opportunity to meet with TRIO advisors, and work on completing FAFSA paperwork. Please see the Cash for College Checklist on the back of this page and have all of the listed documents ready to complete financial aid applications.

NEW FOR TRIO SENIORS: This semester, we will launch a senior advising **Shape Your Future** course using HSU’s online class portal, Canvas. Humboldt State University will provide you with an HSU email and user ID for this course. With the help of our TRIO College Access Advisors, students will learn how to navigate this non-credit bearing online course that includes tools to help work through college choices, financial aid applications, and important deadlines.

We will also host interest-based campus visits for seniors interested in attending HSU and learning more about specific HSU programs and departments. For more information on campus visits or to suggest an interest, talk with your TRIO advisor ASAP!

Friday, October 26th is HSU Fall Preview. The event is open to all for a fee of \$25. TRIO Talent Search participants in 11th and 12th grade have the opportunity to attend this event, for FREE with *all-expenses paid by TRIO*, by registering through the Talent Search office. Call (707) 826-4791 for sponsorship – there will be no reimbursements. Visit <https://admissions.humboldt.edu/fall-preview> for more info!

Finally, we are excited to jumpstart our **TRIO Ambassador Program**. We are looking for high school students who are interested in representing TRIO at their school sites by maintaining bulletin boards on campus, helping advisors with recruitment presentations, and tabling for TRIO Talent Search at various events. This is a great opportunity to build up your resume while helping other students on their journey to postsecondary education and a rewarding career.

We hope that everyone had a great summer, and we look forward to working with you this school year!

Sincerely,

Rose Sita Francia, TRIO Talent Search Director

HUMBOLDT STATE UNIVERSITY

Cash for College Checklist:

What to bring to complete your financial aid application with a TRIO Advisor:

PLEASE make sure you have set up your FSA ID well in advance!

- Social Security Card (unless you have the FULL NUMBER memorized)
- Parent [irs.gov](https://www.irs.gov) online tax login for 2017 (automatically pulls required info)
- Driver's License (if you have one)
- *FSA ID (student AND parent) - Make sure to set these up *at least 48 hours prior to the event*. Ask your TRIO Advisor for help!
- Alien Registration Number / Green Card (if applicable)
- Record of untaxed income (child support, combat pay, retirement, etc.)
- List of colleges you are interested in applying to

REMEMBER :

These items are crucial to securing financial help for college. If you do not have any of these items, your TRIO advisor can't help you fill out the application. Financial aid and scholarships makes paying for college a reality!

FAFSA = FREE Application for Federal Student Aid

Do not pay money to submit a FAFSA Application!

TRIOWORKS

TRIO Talent search is entering its 28th consecutive year at Humboldt State University. 2018-2019 is the 3rd year of our current 5-year grant award cycle. Below you will find our 2016-2017 and 2017-2018 progress reports that show the success of our students. We have surpassed all of the grant-mandated objectives, the most important of which are high school graduation rates, completion of A-G requirements, and postsecondary education enrollment.

We are inviting TRIO Alumni and current seniors to opt in to our Community-Based Participatory Research (CBPR) Project to identify the best practices for gaining college and career access based on the perspectives of our TRIO participants. For questions or more information, please call 707-826-5216.
