Parking & Commuter Services

Operating Standard: 001-220122

Title: Emeritus Faculty Parking Waiver Eligibility

Per direction from the President in June 2009, Parking & Commuter Services shall provide a qualifying emeritus faculty with a parking fee waiver and emeritus parking permit upon request and verification of emeritus status.

Emeritus faculty are defined as those individuals who have retired from the Humboldt State University; having provided ten or more years of full-time service or its aggregated equivalent at this campus; and meritorious contributions to teaching, scholarship, and/or service to HSU/CSU.

Emeritus faculty participating in FERP (Faculty Early Retirement Program) and are on paid status with the university are required to pay the established CFA parking fees.

Emeritus parking permits entitle the owner/operator of the vehicle to parking in general or faculty/staff identified parking lots only.

Emeritus parking permits are granted on a semester basis and are valid one week prior to start of instruction and one week following completion of instruction for said semester. Requests must be received each semester and qualifying emeritus faculty members are required to present a valid Emeritus Faculty Member Identification Card in order to receive said permit.

Emeritus parking permits are the property of Humboldt State University per the University Code of Rules and Regulations.

Emeritus parking permits are not transferable to others per the University Code of Rules and Regulations.

Use of emeritus parking permits by persons other than the emeritus faculty member may result in citations to those involved, seizure of the permit, and/or revocation of the right to receive an emeritus parking permit per the University Code of Rules and Regulations.
